The Honorable William Casey
Director of Central Intelligence
Central Intelligence Agency

Dear Mr. Casey:

The Danville Area Youth Council and the San Ramon Valley Unified School District are jointly sponsoring a conference on youth leadership to be held in mid-May, 1984. We would be honored if you would be our principal speaker.

This conference will be an all day activity for 100 students from public and private high schools in the San Ramon Valley. These young people, who have exhibited considerable leadership potential, will spend the day in seminars with local community leaders discussing various aspects of community leadership.

Our day will conclude with a dinner at one of our local country clubs that has the necessary facility to provide for our needs including security. The dinner will be attended by the students, approximately fifty seminar leaders and guests, and two hundred program patrons who are local citizens providing financial support for the conference in the range of fifty dollars per person.

Recognizing that you have many demands on your time, we are hopeful that this early invitation will make it possible for you to join us. Our meeting date is flexible so that it can be adjusted to fit your schedule.

Please let us hear from you at your earliest convenience.

Sincerely yours,

Matt Hurd
